# America's Premier Medical Experts

Since 1990, Medical Experts USA has provided attorneys and insurance companies with objective, authoritative experts. Both plaintiff and defense counsel seek us out as their source for the best medical experts to address contested medical issues. Our panel of experts is limited to actively practicing, board-certified physicians who are willing to testify in support of their unbiased opinion, and for this reason attorneys nationwide have come to trust and rely on our services. Our services include:

- \* Pre-qualified, active-practice physicians with legal experience
- \* 5,500 medical experts in 200 specialties
- \* No-cost Attorney consultations
- \* Record review & testimony
- \* Independent Medical Examinations (IME) & autopsies
- \* Essential affidavits & reports

# Streamlined Case Management

Clients benefit from our advanced IT infrastructure (online & offline integration) which enables us to efficiently manage all details associated with record review, depositions, trial testimony, billing and fee collections. A designated Case Manager is assigned to each client who schedules services and monitors deadlines.

## Credible Experts Resolving Medical Cases

All our experts are pre-qualified to ensure that they are in active practice and are not "professional" experts. An internal policy of blind presentation and review ensures objectivity and enables our experts to provide forensic testimony with the highest credibility. Our lofty standards are maintained by oversight from an advisory board of medical professionals with extensive experience in medical-legal cases.
